1. Call the Meeting to Order at 3:08pm. Present Clare Flewelling, Facilitator, Rosamaria Duarte Raub, Principal, Chuck Peralta & Francine Gonzales Classified, Dee, Parent Representative, Diane Carrillo, Jeannette Ortiz-Roybal, Kira Moore-Rendon, Certified.
2. Approve Previous Minutes (1 minute) – Chuck Peralta motioned to approve the minutes, Kira Moore-Rendon seconded. The minutes were approved.
3. Call to the Audience (5 minutes) – Student Council wanted to share initiative to Beautify Campus; starting with assigning areas of campus to classrooms/grade levels to be announced and started 2nd semester.
4. Discussion Items (15 minutes)
 - a. Review Norms – All approved norms
 - b. Attendance Update – Attendance is in the 80's% - our goal is 90's. With illness and early/longer vacations we see this drop regularly. We will continue to use announcements, neurons in class and Panther Paw shout-outs to encourage perfect attendance.
 - c. Principal Update – Our Benchmark scores along with previous AASA data looks like we need extra points this year to maintain our B and/or grow to A. The teachers will start 2nd semester with AASA prep books using them for Bell work and testing strategies throughout instruction. Tutoring will also begin for grades 3,4,5 and Ms. Contreras continues to tutor her 1st graders. It is good to have all classes with teachers.
 - d. PTSA Update – Planning to meet in January 2024.
 - e. Family Engagement – Cafecitos have brought in parents and good information. The Pima County Health Department has led many and the next one is about Opioid

Abuse and How to use Narcan. It is in Spanish so nothing is lost in translation. IF we have enough interest for it to be shared in English they are happy to come back. We had an AVID Night with a great turn-out and feedback from families and staff.

5. **Plan Next Meeting:** The Next meeting will be March 4 at 3pm at Ochoa and on Zoom.
6. Announcements / Adjournment Chuck motioned for the meeting to be adjourned at 3:52pm. Dian Carrillo seconded the motion. All were in favor.
