Scholars will receive a laptop at the end. Attendance: averaging 85-87% attendance. Tardies have skyrocketed- people are reporting allergies and sickness. PTSA and Family engagement: low Cafecito attendance, 10-15 members. Optimist Club: Made "big bucks" in the fall with street fair and gift wrapping fundraisers.
DISCUSSION	Principal: none Attendance: Room 2 is open for students to play games during recess so they are not outside to help combat allergies. PSTA and Family engagement- Have a variety of topics (bullying, suicide prevention, child advocacy) in addition to fentanyl topics. Look at changing time to accommodate families.

	Teachers post on ClassDojo about Cafecito as fliers can often get lost in transition. Have more information on fliers for parents to read. Optimist Club: able to spend money from street fair/gift wrapping on lice kits, uniforms, hygiene kits, snacks. Mr. Ochoa used to provide uniform vouchers and we will potentially start having PTSA take over.
