

Ochoa Community School

Committed to building strong relationships that support rigorous learning for all.

Effective schools are a result of families and school staff working together to ensure that each child is empowered to achieve his or her fullest potential to become a lifelong learner and responsible citizen. The following compact is a voluntary agreement that unites you, your child and Ochoa in a partnership to support your child's success in school.

As a family at Ochoa Community School we will strive to:

- Send our child to school daily and try very hard to always be on time.
- Respect, love and encourage our child's growth and ideas.
- Spend time each day with our child reading, writing and conversing.
- Help our child be successful by participating in school events and supporting the school and teachers.
- Send my child to school in clothing that meets the school dress code – the Ochoa uniform.
- Support my child in developing the positive behaviors that are encouraged at school.

Parent/Family _____

As your child's Teacher, I will: Provide high quality curriculum in a supportive environment that enables students to meet the standards.

- Believe in the competence of your child and every child attending Ochoa
- Respect the many ways that children learn and provide learning opportunities that meet each child's strategies.
- Communicate with families on a regular basis to deepen our mutual understanding of your child's learning, encourage parents to volunteer.
- Assist children to resolve problems with each other through understanding, empathy and mutual respect.
- Actively participate in on-going Professional Development that strengthens my understanding of the learning process and the Reggio Approach to teaching and learning.

Teacher _____

As a student at Ochoa Community School, I will strive to:

- Come to school regularly and be on time.
- Always try my best.
- Show respect for myself, for others and for the school.
- Work together with my teacher and classmates in a positive and peaceful way.
- Ask a grown-up for help if I have a problem that I cannot solve or if I have a problem with another person.
