Ochoa families,

Welcome to a new school year, 2022-2023! We are looking forward to another amazing year as well as cultivating a productive partnership with you to ensure our scholars will achieve their highest potential. We recognize that in order to be successful in school, our scholars will need support from both home and school. We know that a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our scholars success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring the following:

1. Child attends school daily and arrives on time, ready for learning
2. Child reads daily to develop a love for reading and to improve literacy skills.
3. Child shares school experiences with you so that you are aware of their school life.
4. Parents/Guardians sign up for Class Dojo with your child's teacher to maintain regular communication.
5. Parents/Guardians attend school events, such as Open House, parent/guardian teacher conferences, and curriculum nights.
6. Parents/Guardians consider becoming a part of our PTSA (Parent (Guardian)/Scholar/Teacher Association), School Council, or Family and Community Engagement Team. Call our office if you are interested 520-225-2400.

We look forward to welcoming all Parents/Guardians for our **Open House on August 18th**. We have two sessions to allow parents to visit more than one classroom. We will meet in the library at 5:00.
